

Hayden Canyon Charter

Student Technology Liability Agreement 2022-2023

The International Society for Technology in Education (ISTE) Standards define digital citizenship as an understanding of human, cultural, and societal issues related to technology and the practice of legal and ethical behavior.

As the parent or guardian of my student I agree to the following terms as listed below:

1. Technology provided by Hayden Canyon Charter School will be used for educational purposes only. This technology is not to be used for personal, commercial, or business use, or for political or religious reasons.
2. The approximate replacement cost of the technology is \$250. If the technology assigned to your child is lost, stolen or damaged in any way, you are responsible for the cost of the device replacement.
3. When technology is taken home by the student, it must be returned to the school on the next school day. Failure to return the equipment on time may result in loss of the privilege of taking the equipment home again. It is expected that the equipment will be returned to school with a fully charged battery for use during the school day.
4. All technology is the property of Hayden Canyon Charter School. Hayden Canyon Charter reserves the right to request the immediate return of the equipment at any time. The technology should only be used by the student who has signed the agreement.

I acknowledge that I have read and understand the Hayden Canyon Charter Student Technology Use Agreement. I agree to abide by all the applicable rules and regulations. I understand that the School reserves the right to access, review, monitor, audit, log and/or intercept computer/technology use at all times and without prior or subsequent notice. I pledge that I will use technology responsibly and for educational purposes under the direction of school staff. I understand that the use of devices and all technology at Hayden Canyon Charter School is a privilege that can be revoked.
