

HCC Curriculum Committee Agenda

January 11, 2023

5:00-6:30

5:00- Pledge of allegiance

Committee Members in Attendance:

Principal: Bill Rutherford

Clerk: Bridgette Dahlstrom

Board Representative: Paula Conley

Staff Committee Members: Michelle Hull, Jadrian Watson, Jen MacKeage

Parent Committee Members:

Guests: Mallory Malee

5:15-Introduction to Expeditionary Learning and We are Crew

- Conversation regarding importance of adopting broad curriculum rather than narrowing in on specifics
- Importance of not limiting teachers by limiting the curriculum and resources available to them
- Overview of how the board reviews, discusses, and adopts recommendations

5:30-Scope of work

- Prioritize curriculum cycle
 - HCC needs to create a curriculum cycle for our policy
 - English Language Arts - 2023
 - Math
 - Science -2024
 - Social Studies - 2024
 - Character Education - 2023
 - Physical Education/Health
 - Arts and Humanities
 - Music
 - Review of changes in standards from Common Core to Idaho State Standards
 - Overview of Kindergarten standards for ELA as an example
 - Overview of EL Skills block module for ELA and how it aligns with Idaho Standards
 - Introduction of review tool that will be used to verify proposed curriculum is aligned to standards
 - Introduction of rubric that will be used while reviewing curriculum

5:45-Review Expeditionary Learning Curriculum

- How to navigate the EL webpage and review curriculum

- Language Arts
- Life Science
- Social Studies
- Introduction to We Are CREW
 - HCCs Character Education Program
 - Review of Idaho State Health standards for physical, emotional, and environmental health
 - Time taken for committee members to do a quick glance through the We are CREW book to gain an overview of the content
 - The Power of CREW video shared with the committee
 - Overview of how CREW takes place in the classroom
 - Led by teacher with intentional conversations
 - Team building, sharing, and reflection are parts of CREW
 - CREW is designed by teachers to meet the needs of their students
 - How the teacher speaks and interacts with their students is intentional to set boundaries and maintain the position of authority while still allowing students to share
 - Teachers teach to polite discourse so corrections can be suggested by staff or students without causing offense
 - Allow students to safely fail or make mistakes without losing dignity
- What is Project Based Learning and how does PBL fit into EL
 - [Expeditionary Learning | EL Education](#)
 - Reserved for next meeting
- How is curriculum approved at HCC
 - Review the curriculum approval process and rubrics

6:15-Break into EL Curriculum and We Are CREW Curriculum Teams
Reserved for next meeting

Next meeting set for: Jan 23, 2023 at 5:15pm

6:30-Close
