- Overview of the Character Education curriculum
 - Teachers will present
 - Staff worked together to create design principles for each month of the school year
 - Integrated principles from Outward Bound and made them more relevant to our students and used “kid friendly” language
 - Teachers created CREW curriculum this year
 - Each week follows the same format school wide
 - Monday: Greeting & Check In (voluntary sharing)
 - Tuesday: Initiative (team building activity)
 - Wednesday: Media (reading, video, song, etc relevant to theme)
 - Thursday: Portfolio/Goal Setting or Share Out (voluntary sharing)
- Committee conversation
 - Bill shared that the HCC Staff have worked hard to create a CREW curriculum that meets the needs of our students, adheres to the request and expectations of the committee, and does not include the areas of previous CREW curriculum that the committee did not approve of.
 - Committee member views & comments
 - Impressive that teachers have created this and have developed it in a manner that a sub or new teacher can easily understand or follow.
 - Comment that concerns were heard and thought and time was put into meeting the request of the committee. - Builds trust for the parents and lets them know their children are not being taught something they do not approve of.
- Public comment period
 - No public in attendance
- Committee response after hearing public comment
 - No comment to respond to
- Action

- Those who Dissent: 0
- Those who Accept: 10
- The committee is unanimously in favor of proposing adoption of the curriculum as presented
- Present to the board during February regular meeting

Next meeting: February 26, 2024 at 4:15pm
